[Crack And Psa Date Validator](#)

- II. State Standards are required by law.
 - A. Standards are strict in requirements that teachers must follow.
 - B. No extra recess is included in Indiana State Standards.
- III. ISTEP is a mandated standardized test.
 - A. School rating given by the state is based on ISTEP scores.
 - B. Student population could decrease because of low test scores.
 - 1. The community would see low rating and assume that the schools are not academically high achieving.
 - 2. Low test scores equals less government funding.
- IV. Loss of time because of other enriching activities.
 - A. Other activities provide enrichment, but require precious school time.
 - 1. Assemblies such as guest speakers can be educational but take away from classroom time.
 - 2. School plays can help the students unlock creativity, but take excessive amounts of time outside of the classroom.
 - 3. Bees such as spelling and geography bee, while educational, also take away from classroom time.
 - B. Schools can either eliminate these activities or increase the school day to allow for extra recess time.
- V. Conclusion to the argument against extra recess time.
 - A. Teachers and administrators need to be sure that they place a value on education.
 - B. The future of all Indiana Middle School students is depending on the teachers.
